Noida, India, October 14, 2009- Multinational Business Academy or the MBA Academy for short, is a registered non-profit arm of Sunni Devi Education Society of India for higher learning and professional education in business, management, retail, supply chain, relationship, personality development and other associated fields. Members of the Society and the governance feature professionals with Government of India, faculty and corporate leaders associated with such leading business schools as IIMs, XLRI and University of California in USA, Universities in Canada, UK, Singapore, Taiwan and Dubai an many more. The mission of the Academy is to serve the nation with honor and in our core competence of professional education in line with the emerging social and government priorities. The Academy focuses on 3Es viz. **Empowerment** of the suburban youth; **Educational excellence** with right programs and the **Employability** to lead the multinational world. To this end, the Academy has secured partnership with several leading management schools in the USA, UK, Canada, UAE, Taiwan, Australia, Singapore and India and in the discussion with several more. The goal is to offer **international and nationally accredited MBA programs with Indian affordability** and flexibility. Another highlight of the Academy is **'Earn while Learn'** arrangement with industry partnerships and **"Extra Employability"**.

Dare2Compete is well known website which helps management students to find out about various competitions and events happening across business schools in India and abroad. It is a creation which leads to a new era of competitions and ignite the spirit of competitiveness. Its aim is to provide students with timely information about the latest competitions waiting to happen across India and abroad. It is an easy to use website with value added services. It is a platform for those who have the spirit to compete, who have a never ending thirst for knowledge and an incessant desire to succeed. They have a fully dedicated team which looks after this website to provide us with the best user experience. They have partnered with top B-schools to provide relevant and authentic information at the earliest. A student can also list an event and competition information to this platform. It provides a wide variety of services to management students; it has an online forum where students can discuss and debate on a range of subjects like marketing, finance, policies etc. The platform itself hosts various quizzes and competitions which lets the college students to participate. It also showcase videos related to management that enhances student's understanding of management subjects. These videos are further supported by articles and essays.

Multinational Business Academy is now working with Dare2Compete for the Emerging Environment and Entrepreneurship in India as well as to enhance the spirit of the competitiveness and to provide relevant and the authentic information in the field of business. Mr. Ankit Aggarwal, founder of Dare2Compete said that "The vision of Dare2compete.com is to create a platform where colleges and management students could interact, share and compete."
