October 14, 2009- Multinational Business Academy or the MBA Academy for short is a registered non-profit arm of Sunni Devi Education Society of India for higher learning and professional education in business, management, retail, supply chain, relationship, personality development and other associated fields. Members of the Society and the governance feature professionals with Government of India, faculty and corporate leaders associated with such leading business schools as IIMs, XLRI and University of California in USA, Universities in Canada, UK, Singapore, Taiwan and Dubai an many more. The mission of the Academy is to serve the nation with honor and in our core competence of professional education in line with the emerging social and government priorities The Academy focuses on 3Es viz. **Empowerment** of the suburban youth; **Educational excellence** with right programs and the **Employability** to lead the multinational world. To this end, the Academy has secured partnership with several leading management schools in the USA, UK, Canada, UAE, Taiwan, Australia, Singapore and India and in the discussion with several more. The goal is to offer **international and nationally accredited MBA programs with Indian affordability** and flexibility. Another highlight of the Academy is ‘**Earn while Learn**’ arrangement with industry partnerships and “**Extra Employability**”.

Studdex is a **global network** designed to help students find the right education program. It serves as a portal to answer questions around which university to go to, where studies go abroad and learn different languages. Students can apply directly via studdex and manage applications conveniently in their personal profile. Universities, language schools and other higher or further education facilities can use studdex to promote their programs and reach to there target audience quickly, conveniently and efficiently. Studdex was set up in **Germany** by Lukas Wrede and Felix Schulte 2008. The company now has its office in Berlin, Germany. “The goal of Studdex is to make the first point to call all those who are looking for information about their education and to help educational institutions such as universities to recruit new students and increase their internationalization” Multinational Business Academy (MBA) is a non-profit business school – focusing on international MBA study abroad programs, exchange and career employability anywhere in the world. It’s a programs focus on education in business, management, sales, marketing, retail, supply chain, relationship and personality Development. And now Multinational Business Academy has joined hand with Studdex university .Its a worldwide University and language course search engine and student social networking platform are joining forces. Multinational Business Academy presence in [India](#), [Singapore](#), [and USA](#) and now in [Studdex](#) also, it’s a worldwide university and language course search engine and student social networking platform are joining forces in helping business students to find the perfect business course in [India](#).
